PRAYING WITHOUT CEASING

- ⚠️ Missionaries were encouraged to pray with at least 5 people everyday.
- ⚠️ Volunteers found physical, spiritual and mental strength through prayers, fasting and trust in God. Solutions to many problems came solely through the power of our prayers.
- ⚠️ **ALIVE-Nigeria members who couldn't attend the missions, formed a 24/7 prayer chain. They prayed round the clock for 2 weeks.**

COMMUNITY SERVICE

⚠️ The missionaries identified two urgent needs of the community:

1. One was the need to fill the muddy spots on the student passageway beside the tent where the evangelism meetings were held.
2. The need to clean the market place.

⚠️ Both activities were held on the 19th of August, 2018

MEAL TIMES

⚠ Meal times were happy times. Vegetarian meals were served twice everyday.

⚠ Food items were donated by missionaries. They sourced what food items they could from their various locations.

⚠ Some missionaries volunteered to serve as official Caterers for ALIVE-Nigeria. They prepared our very tasty and healthy vegetarian meals.

⚠ The caterers also taught other missionaries how to prepare some vegetarian meals.

SABBATH WORSHIP

- ✓ During the Sabbath School worship, we had several study units and a separate class for all our visitors and baptismal candidates.
- ✓ Sabbath worship was blessed with numerous visitors. Visiting friends thought the pastor's class to be very engaging, as they had the time to interact closely and discuss doctrinal questions.

BAPTISM

To the glory of God, UniCal Campus Mission witnessed the baptism of 104 souls who gladly joined the Remnant Church in Nigeria.

A mobile baptistery previously bought, was used at this program. As a result, baptisms were conducted several times in the second week.

BAPTISM

The 104 newly baptized were each given gifts of a bible, a Bible study pack comprising of 24 lessons, their Baptismal certificate and the book – “The Power of Hope”. A Carton of SDAH hymnals was also given to the new church.

NEWLY BAPTIZED

A church hall was rented for the new church and Three(3) Long Term Missionaries sponsored by ALIVE-Nigeria and 10 volunteers stayed back with the new brethren to nurture them for a few months.
